| <b>TITLE</b>   | <b>Guidelines for Issue of LMIs as a controlled Document</b> |
| <b>LMI No.</b> | <b>LMI/OIN/GEN/002 Rev:04</b>                                |

## **1.0 Introduction**

Objective of the controlled issue is to preclude use of invalid and/or obsolete documents. A system for controlled issue shall be in place for the above purpose as elaborated in the following paragraphs.

## **2.0 Superseded Documents**

Operation Information Note "Guidelines for Issue of LMIs as a Controlled Document" LMI/OIN/GEN/002, Rev no.3 dt: April 2022

## **3.0 Details of Revision**

This LMI format has been revised. Clause 5 to 11 are revised.

## **4.0 Identification of LMI**

Each LMI shall be identified by a suitable title and unique number. Revision number shall be indicated along with the document number as Rev. No.0, Rev. No.1 ... etc. Issue date shall also be indicated.

## **5.0 Approval of LMI**

**5.1** Document shall be reviewed and approved for adequacy by the Head of Project prior to issue. The approval of the document is to be taken through PRADIP. Approval of the document shall be indicated on the front side of the document.

**5.2** Master copy approved in PRADIP shall be maintained by the EEMG Dept. Downloaded Electronically approved LMI document can be considered as Master copy of the document and to be maintained by the issuing authority.

## **6.0 Distribution of LMI**

A soft copy of the LMI shall be uploaded in the EEMG dept. website on Simhadri intranet LAN by the EEMG dept.(Password Protected) The uploaded soft copy of the document is to be considered as Controlled Copy.

|                |                                                              |
|----------------|--------------------------------------------------------------|
| <b>TITLE</b>   | <b>Guidelines for Issue of LMIs as a controlled Document</b> |
| <b>LMI No.</b> | <b>LMI/OIN/GEN/002 Rev:04</b>                                |

## 7.0 Revision of LMI

**7.1** If any change in the document/s is felt necessary, the initiator shall put up for review and approval along with the document/s with proposed changes. The revised document is reviewed and approved by the head of Project. The new revision number and the issue date shall be indicated on the revised document.

**Resp. : HOD (Concerned)**

**7.2** Issuing authority EEMG dept. shall ensure that the controlled copy of the revised documents is made available to all users through LAN. The old copy shall be removed from the LAN and the revised LMI should be uploaded.

**Resp.: HOD (EEMG)**

## 8.0 Master List

Issuing authority shall prepare and maintain the Master List, having the following columns, as a minimum:

- i) Sl. No.
- ii) Document Title      iii) Document No.      iv) Latest Rev. No.
- v) Date of Latest revision

Master List shall be identified, approved, distributed and revised as a controlled document, as described from 5 to 7. However, the Master List shall be kept by the issuing authority. Whenever any LMI is issued or revised, the Master List shall also need to be revised and issued.

## 9.0 Review

HOD (EEMG) will review & take the approval of competent authority (HOP). The document will be reviewed on 2 yearly basis or earlier, if required.

**10.0 Checklist:** As attached

**11.0 Annexure:** LMI standard Format

|                |                                                              |

**Annexure1:****LMI STANDARD FORMAT**

Each LMI will consists of Front Page, LMI, Approval document & index pages identical to LMI/OIN/GEN/002 Rev:04 (first 3 pages). All the LMI documents will cover clauses common to all in LMI documents. This is elaborated as mentioned below in order for preparation of LMI.

| <b>Title</b>         | <b>Description</b>                                                                                      |
|----------------------|---------------------------------------------------------------------------------------------------------|
| Introduction/Purpose | Describing the purpose of the document                                                                  |
| Superseded Documents | Details of the earlier version of LMI in case of revision, clearly mentioning name, revision no. & date |
| Details of Revision  | Stating the reasons for revision of the LMI                                                             |
|                      | LMI Specific details                                                                                    |
|                      |                                                                                                         |
|                      |                                                                                                         |
|                      |                                                                                                         |
| Review               | Stating the Concerned HOD responsible for review and approval by HOP                                    |
| Distribution List    | LMI will be available in pdf format on LAN                                                              |
| LMI Checklist        | Checklist, based on the LMI.                                                                            |
| List of Annexures    | Listing of the annexures, if any.                                                                       |

The formatting of the document should be as per following suggestive guidelines:

**A. LANGUAGE:**

The document must be in Standard English.

**B. PAPER :**

- Paper Size : A4
- Paper orientation : Portrait
